From the desk of CEO ...

Dear Partners,

It gives me immense pleasure to acknowledge that the last 6 years, since we founded Corvids in 2019, have been momentous for us. We started Corvids with an ambition to bring the Innovation, Ideas and Technology to the daily life of people and I feel excited that we are on the right path. I would like to extend my gratitude to all our customers and Dealers/Distributors for reposing trust and confidence in us and supporting us to surpass the benchmark by achieving a 50% YOY growth.

Corvids is now a leading Indian Brand in the Home Improvement category with Innovative & easy to use products like Folding Aluminium Ladders, Folding Tables & Chairs, Folding Platform Trolleys & Hand Trucks, Planter & Washer Stands, Caster Wheels etc. Corvids is renowned for excellence in quality and reliable after-sales support. At Corvids, we extensively embark upon system improvement and implementation of modern concepts of Quality Management. We have been awarded ISO 9001:2015 for Quality Management & safety measures, our products are certified with CE & EN-131 certifications for excellent quality.

Currently having a countrywide network of more than 200+ dealers/distributors and having served to more than 2 Lakh happy customers till date, we will continue to expand our distribution network and the customer reach.

We strongly believe in innovation and therefore in investing heavily in ideas and technology, our focus continues to remain on expanding our product portfolio based on evolving landscape of the industry and the needs of our customers. We will continue to leverage ideas and technology to build best possible focused on our customers. We are excited about the path we are on and confident of building on this incredible momentum, to keep a step ahead....always !!

Do let us know for any suggestions.
